## Company Overview

**Breidy Trading & Printing (BTP)** was established in 2005 when we decided to start building a small printing house with the aim of providing good quality printing services.

After more than 10 years, our customers' portfolio grew sustainably from different channels opening the door to more service opportunities. Today, Breidy Trading & Printing has become one of the largest & trusted printing companies with an extension to papers & stationery business.

Our mission today is to provide high quality products to our diversified customers at the right time with competitive prices. **Our goal is to exceed YOUR expectations!**

At Breidy Trading & printing, we understand your needs, learn about your standards & guidelines and look over production to make sure we are delivering the best quality to your door with all advantages you are looking for.

## Our Services

Our team at **Breidy Trading & Printing (BTP)** gather expertise, capabilities & creativity to fulfill your needs with open eyes on quality, production & services.

### OFFSET PRINTING

We provide all your corporate printing requirements following your brand's guidelines: Business Cards - Letterheads - Envelops Brochures - Flyers - Invoices...

### SCHOOLS MUST HAVES

Through the past years we focused on education sector needs when it comes to copybooks, agendas & calendars. You can customize your own items from different styles, sizes & formats.

### BAGS & BOXES

Your gift bag and delivery boxes are part of your identity and professional service. You can count on us to make them look fancy & last longer.

### STEP AHEAD INTO PAPERS

We import papers for your printers & photocopiers with high end thickness & opacity to ensure a smooth and perfect usage of each & every paper. YOU order WE deliver!

### ARTWORK PRODUCTION

Having on board talented designers will help you create your corporate identity from A to Z starting from the logo to the slogan ending with a full concept.

### QUALITY CONTROL

Because we promised to exceed your expectations we double check on each job during all production phases to ensure fast & high standard execution.

FEGOL® PORTUGAL

Breidy Trading & Printing is pleased to introduce to the Lebanese market a new papers' brand that is well known in Portugal & Europe for its quality & high level performance in all types of copiers & printers.

Fegol has a range of office material that contains not only papers variety but also a full range of office supplies that we are aiming to import very soon.

It's a Universe set-apart for the exceptional relation quality/price. Below papers are available for sales upon your call!

### Photocopy Paper 360°

Efficient quality multipurpose paper with high levels of whiteness and opacity, ideal for daily standard reproductions. Works effectively in copiers, inkjet and laser printers.

### Photocopy Paper Plus

Multi-purposes paper, specially conceived to reproduce any document flawlessly. Thanks to its whiteness and shade, the printing contrast enhances colors' brightness. Excellent performance in back and front high-speed printing.

### Photocopy Paper Xpress

Paper specially conceived for copy centers and offices with high volume printings. Efficient in back and front printings without damaging the paper. Matches an exceptional performance with a competitive price. Very high levels of whiteness and opacity.
